

Dear Incoming Third Grade Parents,

For consistency and cost effectiveness, the third grade teachers would like to do the shopping and purchasing of the supplies your child will use for the 2019 - 2020 school year. We are asking for a voluntary donation of \$65 to cover the cost of supplies.

Each student will need his/ her own pair of small headphones or earbuds that are compatible with an iPad. Students will be bringing home their headphones at the end of third grade.

The \$65 donation checks made out to: *Silver Oak School* and headphones may be brought to class on the first day.

Thank you,
Silver Oak Third Grade Teachers
