Current Events

That's right, the end of the year is coming up soon which means we'll be saying goodbye to the 6th grade class of 2019. Some attending Silver Oak since kindergarten will be moving on to middle school on June 13, their final day and promotion.

A heartfelt thank you and congratulations to Mr. Laraway, Mrs. Murnin, and Mrs. Roberts who are retiring after long and acclaimed teaching careers. We, your Silver Oak family, can never express the indelible mark you have left on students, colleagues, and community members. We wish you all the joy in the world!
